

JUSTICE for DEEPAN

“At the end of the day, all I am asking for is to get back my citizenship and to be allowed to live a normal life.” - *Deepan Budlakoti*

Please donate at my Indiegogo campaign to help fund for a Charter of Rights Application.

I am in the process of filing a Charter application in federal court. Through this avenue my legal team will aim to prove the government is violating section six and seven of the Charter of Human Rights. If successful, the Federal court will have to acknowledge and uphold my citizenship and Charter rights. This case will be precedent setting in limiting the government’s ability strip citizenship from anyone who is born in Canada.
